

The background of the image shows a restaurant interior. In the upper left, there is a chandelier with many small, warm-toned lights. The walls are a neutral color with some framed pictures. In the foreground, a light blue ceramic plate with a speckled pattern holds a dessert. The dessert consists of a square of dark, moist cake or pudding, a round scoop of white ice cream, and a pile of golden-brown crumbs. A thick, dark brown sauce is poured over the cake and pools around its base. The plate is resting on a wooden table.
